

NDSU

Chair, Department of Electrical and Computer Engineering
North Dakota State University

NDSU invites application for the position of ECE department chair to start August 2012. The 17 faculty ECE department has over 400 undergraduate and 40 M.S./Ph.D. students. Candidates must have a Ph.D. in ECE or related field, distinguished record of research, teaching, and service commensurate to the rank of full professor, excellent communication skills, strong leadership and administrative skills, commitment to undergraduate and graduate education, experience with collaborative and interdisciplinary research, and a commitment to diversity. Electronically submit cover letter; vision statement; portfolio of research, teaching, and leadership accomplishments; curriculum vitae; and contact information for at least three references to: <http://jobs.ndsu.edu/postings/1304>.

Direct inquiries and nominations to ndsu.jobs@ndsu.edu.

Reviews begin February 2012 and will continue until position is filled. NDSU is an EO/AA employer and NSF ADVANCE institution; women and underrepresented groups are encouraged to apply.
