ECE Community Forums: Step-By-Step Instructions

Step 1: Scroll over the Membership tab on the ECEDHA Website and in the dropdown list, click ECE Community Forums

Step 2: Click on the Forum you’d like to contribute to:
Step 3: You will see a list of topics that are posted. Click on any of the topics to see the comments or contribute. You can also click Add New Topic to start a new discussion. You must login to participate in the conversations.

Step 4: By clicking on a topic you can see the comments below. Click Add Reply on the left to add a comment on the topic, or you can reply to individual comments by clicking Reply in the top right corner of the comment.
Step 5: Once you click **Reply** you can type your comment in the below box. You can add attachments as well. Then you click **Submit** to add your comment to the discussion.

To **Subscribe** to a forum or discussion topic, click the small box shown below to receive email notifications regarding a topic or forum.
