Tenure-Track Faculty Positions in Electrical and Computer Engineering

The Department of Electrical and Computer Engineering at the Schaefer School of Engineering and Science, Stevens Institute of Technology (Stevens) invites applications for the assistant professor position, starting in Fall 2020.

Applicants should have earned a Ph.D. in Electrical or Computer Engineering or a related discipline. The department is looking for the applicants who demonstrate great potential to establish a solid research program in key areas of interest: circuits, electronics, and power systems. Successful applicants are expected to develop a vigorous externally funded, globally recognized research program. They should also possess a passion for and be committed to excellence in both undergraduate and graduate education.

The ECE department at Stevens currently has 23 full-time faculty, including 1 NAE member, 5 IEEE Fellows, and 3 NAI Fellows. Faculty are dedicated to inspiring and educating the next generation of electrical and computer engineers and technical leaders through innovative, interdisciplinary, and impactful research and education programs.

Stevens Institute of Technology is a private university located in Hoboken, New Jersey. The 55-acre campus is on the Hudson River across from midtown Manhattan within a few minutes from NYC via public transportation. Stevens' superb location offers excellent opportunities for collaboration with nearby universities, Brookhaven National Laboratory, and major corporate research laboratories. Schaefer School of Engineering and Science is the largest school among four schools at Stevens.

Stevens is an Equal Opportunity Employer that is building a diverse faculty, staff and student body and strongly encourages applications from female and minority candidates as well as veterans and individuals with disabilities. Stevens is an NSF ADVANCE institution committed to equitable practices and policies.

Applications will be accepted until the positions are filled. The search committee will begin review of applications on December 20, 2019. All applications must be submitted electronically through the HR website at https://stevens.wd5.myworkdayjobs.com/en-US/External/job/Hoboken-NJ---Main-Campus/Assistant-Professor---ECE_RQ22191. Applicants should submit their curriculum vitae, a research plan (3-5 pages), teaching interests and philosophy, and contact information including at least three references to the HR system. For any inquiries, please contact the Search Committee Chair, Prof. Hongbin Li < hli@stevens.edu >.
