Electrical and Computer Engineering Faculty Position (tenure-track)

The Department of Electrical and Computer Engineering at the Virginia Military Institute (VMI) seeks applications for a full time tenure-track faculty member. In order to be considered for this position, a candidate must have a doctoral degree in electrical or computer engineering, or related discipline, and must have a strong dedication to undergraduate education. A candidate must possess a broad professional background in order to support and expand a wide variety of departmental foundation courses and sub-disciplinary elective offerings in computer engineering. Experience in machine learning, embedded systems, or robotics is preferred. The appointment will begin August 1, 2020.

Applications must include a current CV, three letters of reference, and a statement that clearly addresses the candidate’s potential contributions to the department in the areas of teaching, scholarly engagement, professional citizenship, and cadet development. Review of applications will begin immediately and will continue until the position is filled.

Apply online at: https://virginiajobs.peopleadmin.com/postings/163816

VMI is a public, four-year undergraduate military college (1,700 students) located in the historic Shenandoah Valley of Virginia. Lexington, (population 7,000) also the home to Washington and Lee University, offers a stimulating cultural atmosphere, a relaxed rural pace, and a diverse economic base to make life pleasant and rewarding. Share in Lexington’s rich heritage, while enjoying the natural beauty of the Blue Ridge Mountains. Visit http://lexingtonvirginia.com.

In a continuing effort to enrich its academic environment and provide equal educational and employment opportunities, VMI encourages women, minorities, disabled individuals and veterans to apply. AmeriCorps, Peace Corps and other national service alumni are also encouraged to apply.
