Job Title: Assistant Professor

Position Description
The Electrical Engineering Department at the University of Mississippi invites applications for a tenure-track faculty position, at the Assistant Professor level, in the area of Computer Engineering. This anticipated position will begin in the fall semester of 2020. The department offers graduate programs leading to MS and Ph.D. degrees and two BS programs, one in Computer Engineering (started in fall 2019) and another in Electrical Engineering.

The successful candidate will be expected to teach computer engineering courses such as microprocessors, embedded systems, VLSI, and HDL; and develop a sponsored research program in areas of computer engineering. A Ph.D. in computer engineering or a closely related area is required at the time of appointment. For more information, visit the department’s web page at http://www.engineering.olemiss.edu/electrical/ or contact Dr. Paul Goggans (email: goggans@olemiss.edu), Professor, Department of Electrical Engineering, University of Mississippi, University, MS 38677.

Position Details
Appointment: 9 Month
Assignment Type: Tenure Track

Minimum Qualifications
A Ph.D. in computer engineering or a closely related area is required at the time of appointment.

Application Procedures
Applicants must apply online at www.jobs.olemiss.edu, supplying the following documents: a letter of application; curriculum vitae; statement of research and teaching interest; and a list of three references with email addresses and phone numbers. This position will be open until an adequate applicant pool has been reached.

About the University of MS & Oxford, MS
Founded in 1848, the University of Mississippi (UM), affectionately known to alumni, students and friends as Ole Miss, is Mississippi's flagship university. Included in the elite group of R-1: Doctoral Universities - Highest Research Activity by the Carnegie Classification, it has a long history of producing leaders in public service, academics and business. The University of Mississippi, consistently named by The Chronicle of Higher Education as a “Great College to Work For,” is located in Oxford, MS, which is ranked one of the “Top 10 Best College Towns.” With more than 24,000 students, UM is the state's largest university and is ranked among the nation's fastest-growing institutions. The University of Mississippi, which has aggressively implemented many health and wellness initiatives for its more than 2,900 employees, has consistently been named one of Mississippi’s Healthiest Workplaces.

Touted as the “Cultural Mecca of the South”, creativity abounds in Oxford as musicians, artists and writers alike find inspiration in Oxford’s rich history, small town charm and creative community. Oxford is a one-hour drive south of Memphis, TN and is known as the home of Nobel Prize winning author William Faulkner. Over the years Oxford has also been known for offering exceptional culinary experiences and as the home of the University of Mississippi and the Ole Miss Rebels, there is always something here to immerse yourself in. Oxford has also been featured as a literary and arts destination in such publications as The New York Times, Southern Living, Condé Nast Traveler, and GQ. Among other cultural activities, annual events include the Oxford Film Festival, a thriving local music scene, and the Ford Center Performing Arts Series. Oxford is a vibrant university town, filled with unique shops and galleries, eclectic restaurants and clubs, historic landmarks, and comfortable inns.
Background Check Statement
The University of Mississippi is committed to providing a safe campus community. UM conducts background investigations for applicants being considered for employment. Background investigations include a criminal history record check, and when appropriate, a financial (credit) report or driving history check.

EEO Statement
The University of Mississippi provides equal opportunity in any employment practice, education program, or education activity to all qualified persons. The University complies with all applicable laws regarding equal opportunity and affirmative action and does not unlawfully discriminate against any employee or applicant for employment based upon race, color, gender, sex, pregnancy, sexual orientation, gender identity or expression, religion, citizenship, national origin, age, disability, veteran status, or genetic information.
